

DigitalPlanets
Secure Your Business

الشركة الرائدة لتقنية المعلومات

AL-RAEDEH For Information Technology

Digital Planets a subsidiary of DP Group and a pioneer in digital transformation solutions, was established in Egypt in 2018. The company specializes in cybersecurity, IT services, and smart technology solutions. Boasting a robust regional presence, Digital Planets has grown from its original base in Egypt to include operations in the UAE (2020), the UK (2021), and KSA (2023).

DP Group has also launched Table Finder, serving the hospitality sector, and DP Technology, which focuses on software development, thereby enhancing its commitment to digital innovation.

Mission: To boost profitability with reliable business solutions delivered by our expert team and top-tier services.

Vision: To lead in delivering true business value in Egypt, building lasting trust with customers and partners through exceptional quality.
